CHILDREN'S PENNY PARADE ON WEDNESDAY

Established 22 years ago, the annual children's project here at camp is to raise funds for the Children's Ministry Building. This multipurpose building is designed in a manner to contain all the present ministries for children. Having a building designed with the kids in mind is not only convenient for the families with many age groups meeting at once, but it is also more conducive in learning for the children. Future plans for the building include indoor basketball hoops and an outdoor attached pavilion entrance way (where the large tent is located this year).

The children will again *March the Mile* on Wednesday evening, gathering offerings as they continue to promote this project to the camp. All parade participants should meet at the Children's Ministry Building entrance area at 6:15pm. Children of all ages are encouraged to attend, bringing banners and signs proclaiming the value this project has created for expanded camp ministries. The parade will begin promptly at 6:30pm prior to the evening service. Every mile of pennies = \$840 and helps to secure funds to finish the building.

Note: For the safety of all who are in the parade, please adhere to the golf cart regulations. We encourage carts to be decorated and in the parade, but only the registered driver is permitted to be behind the wheel. No bicycles, scooters, or four wheelers, etc. are permitted to be ridden in the parade. We ask that for the safety of the children, no candy is thrown at the children or from golf carts.
