Welcome to Mahaffey Family Camp 2022!

It is with great joy that I welcome you to the campground for another year of Family Camp. We are so excited to see what God has in store for our time of fellowship together.

We are blessed with a wonderful lineup of speakers and events for this year's schedule, and we encourage you to make the most of your time by attending the services and taking part in the activities here. Full schedules of events are available at the Welcome Center, and daily announcements will be published in the Mahaffey News during the 10 days of camp.

One of the aspects we love most about Family Camp is the multi-generational appeal. We love to see entire families gathered here, making memories together as they grow spiritually. We pray that your time here is blessed, and that you are able to experience God's incredible love in a vibrant way.

While you are here for Family Camp, be sure to keep up with all that is happening through the Mahaffey News (available at the Welcome Center and Dining Hall, and digitally on our Facebook page and website). Please also join me in thanking those who are making camp possible for us – more than 210 volunteers are here giving their time to this ministry this year!

It is important to note that we must all conserve water during Family Camp this year. We've gone many days without rain here on the grounds. While our water supply is currently adequate, we need to be conscious of our usage during the 10 days of camp to avoid low supply. We thank you for your understanding and cooperation.

We have had an amazing year of ministry since we last opened our grounds for Family Camp. We had busy retreat seasons in both the fall and the spring, with events like Applefest and the Ladies' Tea bringing record attendances too. Our new homeschooling program, Academic Adventures, resulted in nearly 130 students joining us for an event throughout the year. Plus, we've had an incredible youth camp season so far – 320 campers have enrolled this summer, and we've been awestruck by God's working in their lives. With one more week of youth camps to go in August, we know God isn't done moving mountains yet.

As we have been preparing for your arrival, we have been working diligently to complete some renovations around the campground. Here are some projects we have recently completed in hopes of improving our grounds:

- Finished renovations of our Longhouses, including new interior paneling and flooring, as well as exterior painting.
- Installation of A/C in all Longhouse and Dorm 5 rooms.
- Concrete upgrade outside the Main Tabernacle, with a new sidewalk added to the west side of the building.
- Main Tabernacle interior cement resurfacing, leveling the entire front area to be handicap accessible.
- Completion of renovations at Cottage 85, which will provide much needed additional housing for summer staff.

It is always our prayer that these upgrades to the camp will be beneficial in providing a space where individuals of all ages can meet the Lord in a refreshing way. We hope that you enjoy these new features to our grounds!

We cannot thank you enough for being here and showing your support to this ministry. Without your financial and prayerful provision, this ministry would not exist. We are so grateful that you've chosen to partner with us as we continue to do God's work here on our campground.

Most of all, we thank God for His faithfulness as He continues blessing this ministry and transforming the lives of our attendees through His powerful presence here.

With a warm heart and thankful spirit, I welcome you to Mahaffey Family Camp 2022!

With warmest regards,

Edward L. Depp

MAHAFFEY CAMP CHILDREN'S MINISTRY

The ministry to children at Mahaffey Camp is coordinated so that each child will be reached and challenged in their spiritual walk with the Lord. All age levels participate in hands-on learning experiences throughout the daily activities. Developmentally-appropriate activities are planned for each age group of children, with adequate supervision. Please plan for children to participate with their designated age group.

A special reminder to all parents: In order to better protect the children on the campground, you are asked to please register your children, ages 2 through 7. Upon registration, each child will be given a wristband identifying their camp guardian and location. If you preregistered your children, their wristband has been prepared and is available at the first Children's Ministry meeting they attend. Children are asked to wear the wristband the entire time they are at camp. This will assist the ministry workers in the event that they need to find a parent/guardian or if a child gets lost on the campground. You can register your children at the first service they attend within the various children's ministry programs. Children ages 8 - 12 also need to register; however, they are not required to have a wristband. Please be sure your child knows the location (cottage#, dorm#, RV area and #, etc.) where you are staying and also an emergency phone number.

Parents: Please be sure to pick up a Children's Brochure from the Welcome Center or at one of the bulletin boards located throughout the camp. It contains pertinent information, especially the start times of the services as well as the pickup times. **Please note:** Parents who are choosing to pick up their children must be present 5 minutes prior to dismissal and meet their children under the tent. If you are not present, your child will be dismissed with all the other children.

BIBLE HOUR MEMORY VERSE

Then Jesus said, "Come to me, all of you who are weary and carry heavy burdens, and I will give you rest."

Matthew 11:28

TEEN CRAFT EVENT

Additionally, handmade crafts and quilts will be available for sale. Make sure to stop in and take a look at the new mug design for 2022!

FIRST AID STATION (located at the Welcome Center)

First Aid Station volunteers are available during the following hours: 9-11:30am, 1:30-4pm, 6-8:30pm.

The after-hours emergency number for first aid on call is 814-592-6814. Please only use this number in an emergency after hours.

In the event of an emergency where an ambulance is required, please dial 911, providing the address of Mahaffey Camp, Rt. 219, Mahaffey, PA. Immediately then notify security, the first aid staff or the office personnel who will then enact the emergency medical response plan, to open the gate and direct the ambulance to your location. Please be prepared to provide your complete location including a cottage #, RV site# (west, north, east), Dorm# and room#. If you are staying at a cottage, please be sure that all occupants know what number it is.

Please help us keep the camp a beautiful and welcoming place. Parents, grandparents, and sponsors of youth here on the grounds, please be reminded that you will be held responsible for any damage or defacement of camp property caused by your teen or child. This includes graffiti in the rest rooms, dorms, tabernacles, etc. Your assistance in discussing this with the teens or children in your care will be greatly appreciated. Please explain the consequences of their unsolicited artwork and the extra expense it causes the camp to cover it up.

Items submitted for Mahaffey News will not be published without the approval of the Director/Developer or Program Coordinator. Due to space constraints, Mahaffey News is reserved to promote Mahaffey Camp events as well as District events. Submit announcements in writing to the Camp Office by 2 pm the day before you want them included.
