## CREATION CENTER AT MAHAFFEY CAMP

Come visit this awesome nature-based play space, designed for kids ages birth through 12. You'll find lots of hands-on, imaginative areas to play and explore the beauty of God's creation. This space is located on the hill above the North RV Lot, and it features a teepee play shelter, sensory walk, climbing rope, slide, sand pit, sound wall, chimes, pollinator garden, and a performance stage. Toys and play tools are located inside of the shed at the Creation Center for your family to enjoy.

## PLAYGROUND PROJECT PICKETS

With the demolition of Dorm 4, many recycles of the materials have permitted for some upgrades to current buildings, including framing the current pavilion to be used for winter storage and summer crafts at Youth Camps. This project has uncovered several of the pickets from the original playground project. If you purchased one of these pickets years ago, you are welcome to "pick" your picket and give it a new home among your camp memorabilia. Pickets are located behind the pavilion and craft shed.

### **BIBLE HOUR MEMORY VERSE**

**"God began a good work in you. And I am sure that He will carry it on until it is completed. That will be on the day Christ Jesus returns."  
Philippians 1:6 (NIRV)**

### **Can you figure out how many milkshakes have been made since 1986?**

Here are some hints:

- The number of the tribes of Israel appears twice.
- One digit is the number of days Jesus fasted and prayed, divided by 5.
- One digit is the number of churches written to in Revelation.
