CHILDREN'S PARADE WEDNESDAY at 6:30PM

Established twenty-five years ago, the annual children's project here at camp is to raise funds for the Children's Ministry Building. In recent years, our Children's Building has allowed us to grow in year-round ministry through many different programs. EVERY PENNY COUNTS is our newest campaign to raise money for the final portion of this project - an attached pavilion. This outdoor space will give us even more room to grow.

The children will again *March the Mile* on Wednesday evening, gathering offerings as they strive to continue to promote this project to the camp. All parade participants should meet at the Children's Ministry Building entrance area at 6:15 on Wednesday evening. Children of all ages are encouraged to attend, bringing banners and signs proclaiming the value this project has created for expanded camp ministries. The parade will begin promptly at 6:30 prior to the evening service. Every mile of pennies = \$840 and helps to secure funds to finish the building.

*Note: For the safety of all who are in the parade, please adhere to the golf cart regulations. We encourage carts to be decorated and in the parade, but only the registered driver is permitted to be behind the wheel. **No bicycles, scooters, etc. or four wheelers are permitted to be ridden in the parade.** We ask that, for the safety of the children, no candy is thrown at the children or from golf carts.*

PLAYGROUND PROJECT PICKETS

With the demolition of Dorm 4, many recycles of the materials have permitted for some upgrades to current buildings. The current pavilion has been framed in to be used for winter storage and summer crafts at Youth Camps. This project has uncovered several of the pickets from the original playground project. If you purchased one of these pickets years ago, you are welcome to "pick" your picket and give it a new home among your camp memorabilia. (Please do not remove a picket that is not yours.) Location to find the pickets is behind the pavilion and craft shed.
