At Mahaffey Camp & Conference Center, we are seeing a hunger for the Lord in the younger generations. All summer, the altar was filled with kids worshipping and seeking the Lord. We are in the process of rebuilding our Youth Tabernacle. The new Youth Tab will be open-air 90'x70'. The roof will be steel, and the siding will be locally sourced hemlock. The slab will be flat for multi-ministry use. We can't wait to see what God has planned for this space and the many lives who will worship here for generations to come.
