## **Storage and Occupancy rates for West Area (not including Family Camp Rate)**

- Winter Storage Permit for the complete year, West Area only - **\$400 with no occupancy.**
- Short Stay Storage Permit - **\$15 per day**, available from May 1 - October 31 (minimum 60 days).
- Short Stay Occupancy in conjunction with Winter Storage Permit / Short Stay Permit - Occupancy fee of \$30 per night, not including Family Camp. This charge pertains to units here under the Short Stay Permit or Winter Storage Permit
- All trailers, including permanent sites, must have a current license. New permanent sites issued in 2026 for winter storage may not be occupied by a camper that is a 2006 model or older.
- Building Permits are required for any steps or decks/porches. Decks that are larger than the box of your RV or exceed 8 ft in width are not permitted. All slide-out units must be placed within the boundaries of the lot assigned to you. Contact the camp office to obtain permission and the required building permit. Please allow sufficient time for permits to be approved and issued. No construction of any kind is permitted during Family Camp.

*Note: There is a waiting list for Winter Storage sites - please contact the Camp office for details.*

### **West Lot All-Inclusive Rate.**

**Includes winter storage and Family Camp fees, plus unlimited overnight stays.\***

\*This is a benefit if you plan to stay at Mahaffey Camp more than 10 times between the end of the 2026 Family Camp and the beginning of 2027 Family Camp.

- **Non-Official Worker All-Inclusive Rate: \$1,060**
- **Official Worker Rate: \$635**

**Mahaffey Camp Office:**  
**814.277-5544**  
**office@mahaffeycamp.com**

## **Note to Occupants of North RV Sites 80-96, East RV Sites, and West RV Sites:**

Sewage is installed at the site you are renting. You will need an RV sewage connection hose with a 4" thread.

Reminder - any stationary porches require a building permit. Please do not build and then request permission. Permission must be granted first by the Mahaffey Camp Building & Grounds committee after the proper paperwork is completed.

No building is permitted during Family Camp.

### **Campers on a sewage site need to follow these guidelines:**

- Keep your septic system closed until your tank is full. Please empty the tank all at once into the system and then close your valve until full again.
- Mahaffey Camp and Conference Center will not be responsible if you do not follow these procedures and have a backflow into your RV that causes damage.
- Any broken connections will be the responsibility of the renter on the site.
- As per the Mahaffey Municipal Authority, do not dispose of grease, baby wipes, diapers, personal hygiene items, or garbage in the sewage system.
